7 September 2017

Threat Protect becomes first Australian affiliate of the Certified Counter Terrorism Practitioners (“CCTP”)

Threat Protect Australia Limited (“**Threat Protect**” or the “**Company**”) (ASX: **TPS**) is pleased to announce the Company has received corporate accreditation and become the first Australian affiliate of the internationally recognised organisation - Certified Counter Terrorism Practitioners (“CCTP”).

The CCTP is based in Singapore, and administers the CCTP program - an international accreditation program for experienced security and law enforcement professionals that provides demonstrable proof of knowledge and expertise in terrorism detection, prevention, and response.

Threat Protect provides all its clients an integrated suite of security services encompassing alarm monitoring, guarding, consulting and technology solutions. Becoming the first Australian affiliate of the CCTP is an endorsement of the skill and expertise offered by Threat Protect to corporate and government clients, and further differentiates the Company and its service offering in the Australian security market.

Threat Protect’s Managing Director Demetrios Pynes commented, “Threat Protect Australia is pleased to announce its affiliation with Certified Counter Terrorism Practitioners. This affiliation follows the recent accreditation of nine key members of our management and operational team as Certified Counter Terrorism Practitioners.

“With the national expansion of the Threat Protect business we continue to show our commitment to provide an integrated security solution for our corporate and government clientele.”
