## Completion of Acquisition – Alarm Assets Group

ASX: IMB

ASX RELEASE

On 28 May 2024, Intelligent Monitoring Group Limited (**IMG** or the **Company**) announced it had entered into an agreement to acquire 100% of Everjazz Pty Ltd ("**AAG**") ("**Acquisition**"). On 4 June, IMG completed a placement to raise \$20m to fund, amongst other things, the Acquisition (including completion of the acquisition of ACG Integration), together with costs of the placement, costs associated with the Acquisition, and working capital. IMG is pleased to advise that completion of the Acquisition occurred today.

Managing Director Dennison Hambling commented: "We are excited to welcome AAG staff into the IMG group, to work alongside ADT in re-emerging as the leading commercial security integrator in Australasia. With ACG Integration (settled last week) alongside AAG, it will be exciting to see our significantly expanded national commercial team deliver value-added security and technology solutions to both our current and potential new customers, in what is an increasingly complex and insecure environment."
